## TOP SECRET

## Official Diary

Friday, 19 October 1951

Talked to Mr. Douglass about which will be delivered later today by	25) 25)
	25)
Discussed with Mr. Pforzheimer and draft of a letter to be sent to the Bureau of the Budget in regard to atomic	25
Talked with Mr. Pforzheimer about our proposed building and the reactions of Congressman McCormack.	25
Called to find out what had happened to our evaluation of the Hoover letter on the split in the Politburo. OSI as taking too much time and the evaluation is two weeks overdue.	
Dr. Chadwell called and said that he had received acceptances from all three of the proposed consultants on atomic energy matters.
